Annual Commemorative Christmas Ornaments

The Anna Village Hall is pictured on this year's ADHS Christmas ornament. They are available for purchase (\$12 each or 2 for \$20) at the Packer Historical Center during open hours.

Thanks to the Anna Education Foundation

Recently, the ADHS received a grant from the Anna Education Foundation to be used to purchase audio-visual and other technology equipment for the Packer Historical Center. The equipment purchased included several laptop computers, a printer/copier, and video monitors.

Our goal is to welcome school classes from Anna when

it is safe to do so again to provide educational experiences for the students in our school district. Several of our elementary teachers have already expressed interest in visiting the Packer Historical Center.

We are making plans to offer historical programs for adults in our community as well. This new equipment will make those presentations about the rich local history of the Anna, Kettlersville, and McCartyville areas informative and interesting.

Information about programs will be included in upcoming editions of this newsletter.
